Naperville Mayor George Pradel attended the kick-off meeting for the Naperville Junior Woman's Club, on Wednesday, February 28th, at Safety Town the evening after securing a position in the Consolidated Election on April 17, 2007. Pradel praised the Junior Woman's Club for their 40 years of service to the community; the work they do at Safety Town, with Seniors, Women, and the homeless.

Mayor Pradel has a long history with Safety Town. Serving as a Naperville police officer for 29 years, he was nicknamed 'Officer Friendly' by the children. Working closely with the Naperville Junior Woman's Club, Pradel was instrumental in founding Safety Town.

Safety Town

Children will learn hands-on about safety and health this summer at a town built just for them! Safety Town, sponsored by Naperville Junior Woman's Club, is a miniature town located near the police station in Naperville. It comes complete with buildings, sidewalks, streets, traffic lights, a full-size caboose, a working railroad crossing gate and Safety Town vehicles.

Safety Town Summer Sessions are 90-minute weeklong classes targeted to children entering Kindergarten and first grades. The Naperville Police and Fire Departments, I-SEARCH, Burlington Northern, Naperville Electric, Animal Control, Laidlaw and other community workers join Naperville Junior Woman's Club in teaching safety awareness and prevention using stories, games, songs and videos. Topics covered include: Bike Safety, Fire Safety, Proper use of helmets, Car Seat use and fit, Water Safety, Bus Safety, Pedestrian Safety, Electrical Safety, Train Safety, Poison Awareness, Animal Safety, Personal Safety, and calling 9-1-1. In the past few years, we have introduced a brand new water safety station with an interactive game that emphasizes the importance of water safety in and around all bodies of water, and introduced a new and improved 911 teaching system that allows children to practice making emergency calls.

This is the 29th year that the Safety Town Summer Program is being held. Last year, more than 1,700 children completed the one-week safety education program. Safety Town Summer Program is being held the weeks of June 4, June 11, June 18, July 25, July 9, July 16, and July 25. In addition to our week-long sessions, NJWC is offering 2 Saturday sessions. This four hour condensed version will be held 8am-12:30pm on Saturdays June 16 and June 23.
